Walker Man Sentenced to Life for 2023 Murder

Tangi Times Report

A 71-year-old Walker man will spend the rest of his life in prison after he was found guilty of a 2023 murder.

On Monday, August 4, Judge Brenda Bedsole Ricks sentenced Edward Paul Louque, 71, of Walker to life in prison for the 2023 murder of Barry Roussel of Ponchatoula.

On Saturday, July 22, 2023, at approximately 4:00pm, Barry Roussel, 67, was visiting with a woman in the rear seat of his vehicle while parked in the parking lot of the Livingston Parish Tourist Information Center at 30340 Catholic Hall Rd. in Albany. The tourist center was closed at the time.

Approximately 15 minutes later, Louque, 68 years old at the time, drove into the parking lot and blocked Roussel's vehicle with his vehicle. Surveillance footage showed Louque jumping out of his truck and rushing to the rear passenger door of the victim's vehicle where the victim and the woman were seated.

TO SERVE AND PROTECT
SHERIFF
STATE OF LOUISIANA
UNION, JUSTICE & CONFIDENCE
LIVINGSTON PARISH
13:4
Est. 1832

Louque entered the cabin of the vehicle armed with a pistol and struck the victim in the face with the pistol. Roussel is seen pushing Louque out of the vehicle multiple times; however, Louque aggressively re-entered the vehicle repeatedly and ultimately discharged the pistol eight times, killing Roussel while he was still seated in the rear of the vehicle.

Two bystanders witnessed the incident and called 911.

Since the crime was committed within the town limits of Albany, Albany Police, as well as the Livingston Parish Sheriff's Office (LPSO) responded to the emergency call. When they arrived at the tourist center, they found Roussel dead inside the vehicle and Louque still on the scene.

Louque was arrested and booked into the Livingston Parish Detention Center for second-degree murder. The investigation initiated as a joint effort between LPSO and Albany Police, but LPSO eventually assumed sole investigative responsibilities.

Last month, a Livingston Parish jury deliberated for just 40 minutes before finding the defendant guilty of second-degree murder. Evidence presented over the course of the three-day trial demonstrated that Louque had sent several threatening messages, emails, and phone conversations to Roussel in the months leading up to the murder.

Louque claimed that the murder was in self-defense; however, the Livingston Parish jury rejected his assertion.

The Midlife Sleep Crisis and Some Weird Fixes

By STEFANIE BROOKE
Tangi Times
Community Journalist

Staring at the ceiling fan at 2am has practically become a rite of passage for anyone inching into midlife, right up there with reading glasses and the mystery ache that moves around just for fun. Insomnia, it seems, loves the forty-something crowd almost as much as we love talking about it.

Conditions like sleep apnea and restless legs syndrome become more prevalent with age and can disrupt sleep. Stress, work schedules, and the use of technology before bed can all negatively impact sleep quality. Lack of social interaction can disrupt the body's natural sleep-wake cycle.

Women can be especially affected by these challenges due to hormonal fluctuations and other factors, leading to increased sleep problems like insomnia and short sleep duration. Declining estrogen and progesterone levels during perimenopause and menopause can disrupt sleep patterns, leading to hot flashes, night sweats, and difficulty falling and staying asleep.

These sleep disturbances can, in turn, be linked to a higher risk of cardiovascular disease later in life. Addressing these issues can improve sleep quality and overall health. And so, in the spirit of collective sleeplessness, folks have turned to some wonderfully weird tricks in the hope of catching a few more hours of shut-eye.

Take foot massages, for example. Some people claim rubbing the soles of your feet with coconut oil or a fancy peppermint balm somehow convinces your brain it's time to clock out. No scientific proof here — but when you're desperate, you're desperate.

Then there's mouth taping. Yes, it sounds alarming. But a growing crew of sleep hackers are gently taping their lips shut at night to force themselves to breathe through their noses. The idea is that nose-breathing helps keep your airways clear and stops snoring, which means you and whoever shares your bed might both wake up less cranky. Side note: maybe do a trial run before you commit to this one — nobody wants a panicked midnight gasp.

Weighted blankets are old news, but the new twist is weighted blankets shaped like animals. Picture this: you're spooning a 15-pound plush sloth while the world spins madly on. Some people swear it's the closest thing to being hugged by a tranquilized bear, which, apparently, is exactly the vibe we need to drift off these days.

Of course, there's always the classics. Chamomile tea. Boring

Congratulations to Byron Bankston for being the first to correctly identify last week's challenge from Blazing Saddles!

Safety Tip of the Day

CHILD SCHOOL SAFETY

Your child is waiting to be picked up from school. A stranger tells your child there's been a horrible accident and they were asked to pick up your child.

Set up a code word that only the parents and your child know. If the child asks the stranger the code word, and the stranger doesn't know it, your child will know not to go with the stranger and find help.

If you see something, say something.

LDWF Individual Commercial Licenses Now on LA Wallet

From LDWF

The Louisiana Department of Wildlife and Fisheries (LDWF) and LA Wallet have partnered to add additional digital fishing licenses to the LA Wallet app. Effective today, August 12, certain commercial license holders with LA Wallet can view their commercial licenses on their smartphones. LA Wallet will display the following commercial license types:

Commercial Fisherman, Charter, Vessel License, Oyster Seed Ground Vessel Permit, Fresh Products, Wholesale/Retail, Seafood Retail, Special Bait Permit.

Note: only non-transferable commercial licenses NOT registered to a business will be displayed.

Users who do not have recreational licenses will need to create a Louisiana Outdoors account to link to LA Wallet. The app will display a link for the user to follow to create an account. If you have trouble seeing these licenses, users may need to close and reopen their app or log out of LA Wallet and then log back in.

Charter captains who hold an ROLP or Bowfishing permit will also see those permits displayed in LA Wallet.

New to LA Wallet?

The LA Wallet app is free for the public (download at Google Play/ Apple Store).

To connect your LDWF licenses to LA Wallet:

Tap the "LDWF Licenses" credential shown on the homepage.

Read the disclaimer, then tap the yellow "Connect LDWF Account" button at the bottom.

Once your LDWF account is found, tap "Yes" to add your licenses.

Your LDWF account information will display at the top of the screen. To see your individual licenses, tap the category to expand the licenses in that category. You will only see the categories for which you hold licenses. Expired licenses will display for 30 days in the LA Wallet.

As always, official hunting and fishing licenses/ permits may still be carried in several other ways:

Email - If an email address is available in our system and a license is purchased, a digital version of that license will be emailed.

Image - An individual can also take a photo of their license and store that photo on their phone.

Hard cards - These collectible cards allow you to carry all of your active licenses on one long-lasting card that fits right in your wallet. The cards feature artwork from our very own outdoor enthusiasts.

Paper – We recommend folding the license and storing it in a zip-top bag or laminating the paper print between two pieces of packaging tape.

Kentwood Honors 50-Year EMT

The Town of Kentwood honored Larry Brenner in their town council meeting on Thursday, August 7, for providing 50 years of dedicated service to the town and the region as an Emergency Medical technician.

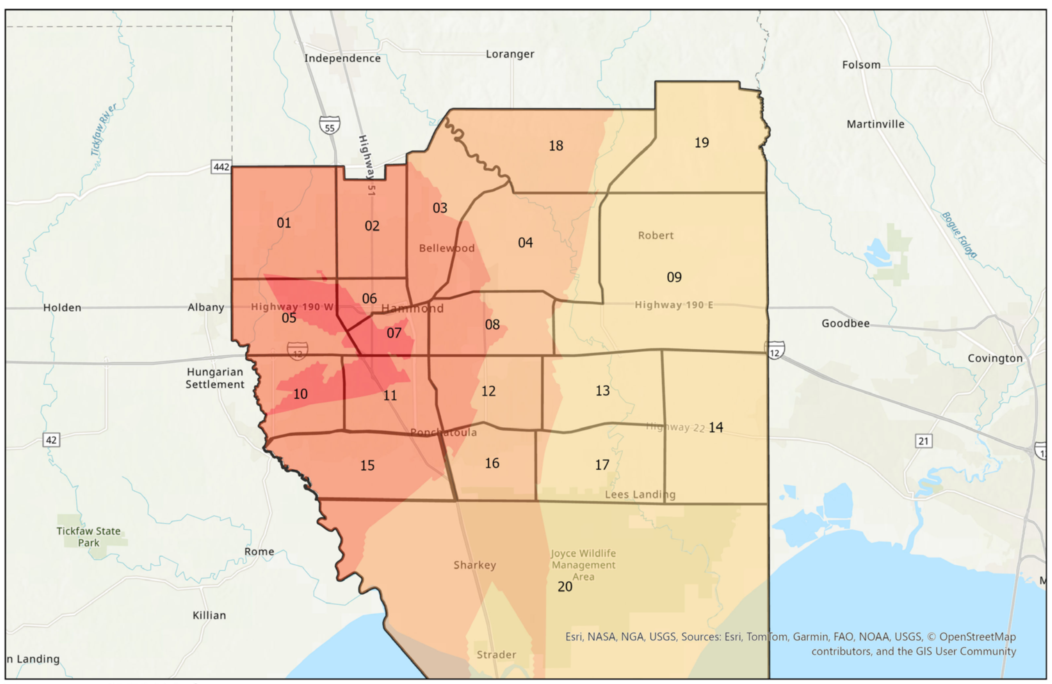
WALK MATE



WNV Risk Map

West Nile Virus (WNV) Risk values are calculated based on methodology designed by the CDC. Areas are assigned a value of 0-5 with 0 being lowest risk and 5 being well above average risk. The risk is calculated based on factors to include, Mosquito counts, disease positive mosquitoes found, and other environmental factors.

TANGI GUMBO

A little bit of everything you need to know

The Tangipahoa Parish Sheriff's Office is seeking the public's help in its investigation after a man was found shot to death inside a vehicle in the Amite area early Sunday, August 10. The Tangipahoa Parish Sheriff's Office said the identity of the person is 37-year-old Cardell Buckhanan of Roseland. TPSO is asking for the public's assistance in its investigation of the murder of Buckhanan. Deputies responded to a crash on Bennett Road around 3:15am and discovered the vehicle in a ditch with the victim inside. Sheriff Gerald Sticker urges anyone with information to contact the Criminal Investigations Division at 985-902-2088 or provide an anonymous tip to Crime Stoppers of Tangipahoa at 1-800-554-5245 or www.tangicrimestoppers.com; tips submitted through Crime Stoppers may be eligible for a cash reward.

In the past two weeks, the Hammond Police Department Narcotics Division, with assistance from HPD's SWAT, Street Crimes, K-9, and Patrol divisions, has executed multiple search warrants that resulted in several arrests and the seizure of illegal narcotics, firearms, body armor, and cash. On July 29, Jamion Jackson, 36, and Juan Jackson, 31, both of Hammond, were arrested following a search on East David Drive; Jamion was charged with narcotics and weapons offenses while on probation, and Juan was taken into custody on multiple felony warrants and for resisting arrest. On July 31, a Kansas Street search led to the arrest of Reginald Bernard, 49, on narcotics, weapons, and body armor charges, as well as destruction of evidence. On August 5, a Rosewood Drive search resulted in the arrest of Tarell Harvey, 31, on narcotics charges and multiple counts of cruelty to juveniles after three children were found with access to drugs. Police remind the public that any amount of illegal narcotics is a crime and encourage tips to the Narcotics Division at 985-277-5700. All suspects are presumed innocent until proven guilty.

A new $5.4 million federally funded drinking water filtration system is being installed in the Madisonville area to benefit over 10,000 residents and businesses by removing iron and manganese, which cause discolored water, from wells serving subdivisions along Highway 1085 and Bootlegger Road. Expected to be completed by

(See TANGI GUMBO Page 7)

POS
(PERSON OF SUSPICION)
OF THE WEEK

POS Willie Jackson, III

Willie Jackson, III, 42, was taken into custody on July 29, on one count each of First Degree Rape-Victim Under 13, First Degree Rape and Molestation of a Juvenile as well as two counts of Aggravated Crimes Against Nature.

In November, the Hammond Police Department contacted TPSO's Juvenile detective team regarding the investigation of a rape case involving a 12-year-old current resident. The victim reported multiple instances of sexual abuse by Jackson dating back five years prior and occurring in at least two other states as well as in Tangipahoa Parish.

Despite efforts to locate Jackson in multiple locations across the country, he remained wanted until Hammond Police learned the suspect was possibly within their jurisdiction.

On the morning of July 29, TPSO and Hammond Police conducted an arrest operation and Jackson was taken into custody.

Thanks to our local law enforcement for removing one more POS from our community.

**All persons are presumed innocent until proven guilty*

TANGIPAHOA PARISH GOVERNMENT
Request for Qualification Statements-RCIP Resiliency Program
For Engineering Design and Sidewalk Construction Management Services

The Tangipahoa Parish Government is interested in procuring the services of an engineering firm to assist the Parish with several commercial district sidewalk improvement projects that involve downtown historic districts and sidewalk ADA standards. The Parish will be coordinating with the State of LA/ Office of Community Development in the use of HUD grant funds for these projects. Especially important is the engineer's experience with sidewalk construction related to disability access ADA standards and completing design in a timely manner. The company selected must have a SAM account number and proof of State license and insurance.

The procedures for the selection of this firm will be in accordance with the procurement requirements of the federal 2CFR200 standards and Tangipahoa Parish procurement criteria. All responses received will be evaluated in accordance with the selection criteria identified in the request for qualifications information available from the Parish. That information also identifies the scope of services to be performed by the selected firm when the project is funded and ready to go to bid.

The Parish will award a selection to the respondents obtaining the highest recommendations and points based upon a selection committee review of the submitted, written RFQs and work references.

Interested parties are invited to secure an informational package from Donna Domiano at the Parish of Tangipahoa, P.O. Box 215, 206 E. Mulberry Street, Amite, La. 70422 or by calling #985 748-3211. The response to this request must be hand-delivered or mailed to the above-named person at the above-named address in such a manner that it is **received no later than 3:00 p.m. on August 29th, 2025.** The Parish of Tangipahoa is an Equal Opportunity Employer and encourages the submission by MBE/DBE certified firms and sub-contractors, Section 3 businesses, and small businesses.

STATE OF LOUISIANA
PARISH OF TANGIPAHOA
VILLAGE OF TANGIPAHOA
REGULARLY SCHEDULED MEETING AMENDMENT ORDINANCE

Ordinance No._1_________ of 2025

Be it ordained by the mayor and board of aldermen of the Village of Tangipahoa, Parish of Tangipahoa, State of Louisiana, on this _25th_______ day of _ August________________________, 20_25____, as follows:

Definitions

A meeting is a convening of a quorum of a public body to deliberate or act on a matter that the public body has supervision, control, jurisdiction, or advisory power over. A meeting is also a convening of a quorum of a public body by the public body or public official to receive information regarding a matter that he public body has supervision, control, jurisdiction, or advisory power over.

A quorum is a simple majority of the total membership of a public body. Two (2) aldermen constitute a quorum.

An open meeting is a meeting of the Village of Tangipahoa's Governmental Body, where decisions by the government are made in an open forum.

An executive session is a session of an open meeting that is closed to the public.

Place, Time, and Date of Regularly Scheduled Meetings

All regularly scheduled meetings shall be held on the second (2nd) Tuesday of each month at six o'clock (6:00) p.m.

All regularly scheduled meetings shall be held at the Village Hall located at 12616 Jackson Street, Tangipahoa, Louisiana 70465.

All regularly scheduled meetings shall be considered open meetings. This does not preclude the decision by the majority of the board of aldermen to convene an executive session within the meeting.

Notice

The written notice of regularly scheduled meetings shall be affixed on the meeting place at least twenty-four (24) hours before the commencement time of the regularly scheduled meeting. The twenty-four (24) hour period is exclusive of any legal holidays and/or weekends.

The mayor, clerk, or a member of the board of aldermen may affix the notice to the meeting place of the regularly scheduled meeting.

The notice shall include the address of the meeting place.

The notice shall include the time and date of the meeting.

The notice shall also include the agenda.

Agenda

Members of the public who wish to place items on the agenda shall complete and submit a form to the clerk or village representative present at the village hall at least seven (7) days before the regularly scheduled meeting. The form must state the person's name. The form must also clearly state the item(s)/subject matter(s) that the person wishes to be placed on the agenda.

Within twenty-four (24) hours, exclusive of weekends and holidays, of the commencement time of the regularly scheduled meeting, no subject matter can be added or subtracted from the agenda.

By unanimous consent, the board of aldermen may amend the agenda during the meeting to add a subject matter that was not originally placed on the agenda.

Each item on the agenda shall be listed separately and read aloud before any action is taken on the item.

Public Input

There shall be an opportunity for public input at all regularly scheduled meetings.

Public input shall be placed at the beginning of all agendas, so that the public may have an opportunity to speak on all agenda items before any action is taken.

Any member of the public who wishes to speak about an item on the agenda must complete and submit the form before the commencement of the meeting. The form must state the person's name and the item on the agenda that the person would like to speak on.

Each person shall have two (2) minutes to speak on each agenda item that he/she chooses.

Presiding Officer

The mayor is the presiding officer of all meetings.

In the mayor's absence, the mayor pro temp shall act as the presiding officer.

In the absence of the mayor and mayor pro temp, the board of aldermen shall select one of themselves to act as the presiding officer.

The presiding officer shall call each agenda item by name before any action is taken.

Minutes

The clerk shall attend all meetings to record all minutes of the proceedings.

The clerk must request permission from the mayor, as supervisor, to be absent from a meeting.

If the clerk is unable to attend a regularly scheduled meeting, the mayor shall record the minutes or appoint an alderman to do so.

If both the clerk and mayor are absent from a regularly scheduled meeting, the mayor pro temp shall record the minutes or appoint another alderman to do so.

If the mayor or aldermen recorded the minutes, he/she shall submit a copy of the minutes to the clerk within a reasonable time period following the meeting. The reasonable time period shall not exceed fourteen (14) calendar days.

The clerk shall keep a book labeled as "Municipal Minutes, Village of Tangipahoa."

The clerk shall record all proceedings of the mayor and board, keeping the minutes fully alphabetically indexed, so that all entries on the minutes can be easily found.

All minutes shall include the following:

The date, time, and place of the meeting;

The members of the board of aldermen recorded as either present or absent;

The substance of all matters decided; and

A record of any votes taken.

Minutes do not have to be verbatim transcripts of the meeting.

Minutes can be summaries.

Minutes shall be readily available for public inspection, in accordance with the Public Records Doctrine, within a reasonable time period.

When the Village of Tangipahoa has an operable website, the minutes shall be posted on the website. The minutes shall remain on the website for a minimum of three (3) months following the posting. The minutes shall be posted on the website within a reasonable time period following a regularly scheduled meeting. The reasonable time period shall not exceed twenty (20) calendar days following a regularly scheduled meeting.

It shall not be mandatory that a meeting is recorded by an electronic recorder. However, if a meeting is recorded by an electronic recorder, the recording shall be kept to be readily available for inspection for a reasonable time period. The reasonable time period shall not exceed three (3) months.

Executive Session

The board of aldermen, upon affirmative vote, may conduct an executive session within an open meeting.

The polling results of the board of aldermen in favor or opposed to conducting an executive session shall be recorded in the minutes.

The reason for conducting an executive session shall be recorded in the minutes.

The board of aldermen my only conduct an executive session for the reasons listed in Louisiana Revised Statute 42:17.

No action/vote shall be taken in an executive session. In order to take an action/ vote on any subject matter, the majority of the board of aldermen must adjourn the executive session, and reconvene the open meeting.

Continuance

Any regularly scheduled meeting may be continued to another date and time that is announced at the meeting.

There must be consent of the majority of the board of aldermen for a meeting to be continued to another date and time.

Any meeting continued for a lack of a quorum shall only be continued once. The aldermen present shall announce the date and time of the continuance.

The Village of Tangipahoa shall conduct one regularly scheduled meeting each calendar month.

Repeal

Any ordinance that conflicts with this ordinance is hereby repealed, and this ordinance shall take precedence over it.

Validity and Severability

If any section, subsection, or provision of this ordinance should be declared unconstitutional, invalid, or prohibited, the decision shall not affect the validity of this ordinance as a whole or any part thereof, other than the part so declared unconstitutional, invalid, or prohibited. All other sections, subsections, and provisions shall remain active law.

Effective Date

This ordinance shall go into effect immediately after its promulgation.

Said ordinance having been introduced on _June 10______, 20_25_____ by Alderwoman_Pamela Bean______________________________________, notice of a public hearing having been published on _July 11, 2025______________________ ________________________, said public hearing having been held, the title having been read and Ordinance unanimously considered, on motion by Alderwoman __Be an__________________________________ and seconded by Alderman ____ Smith_________________________, to adopt the Ordinance.

I hereby certify that the above ordinance was adopted by the Board of Aldermen of the Village of Tangipahoa at its Village Council Meeting on _August 12________________ _____________, 20_25____.

Director's update

Ms. Colona provided her update.
The number of mosquitoes has been low for this time of the year but are now increasing. To date, there have been no positive mosquito pools for West Nile Virus.
Nightly spraying began March 19th and continues nightly, weather permitting.
In the event of extremely high mosquito counts, our plane is ready.
We have completed our first drone application of the season. We will be selecting areas to treat by drone and will incorporate these applications into our regular operations.
The Mosquito fish project is almost ready. The public will be informed when we are ready to begin distribution. They will need to complete a form to receive the fish. This will allow us to track the areas the fish have been distributed to and use that data in our treatment plans.
So far this season, we have treated over 4,000 storm drains and catch basins.
We have designed a new logo for the District. We are in the process of replacing the decals on all the district vehicles.
Four employees attended the LMCA Spring Workshop on March 31st – April 1st in Baton Rouge.
Our entomologist is attending the Mosquito Academy this week in New Orleans.
Our newest inspector, Cade Wilson, has passed the general standards and 8A exam and received his certification as a government pesticide applicator.
Ms. Colona discussed ideas for future projects for next summer.
National Mosquito Control Awareness week is June 15th – 21st.

Approve specified items as surplus
Ms. Colona reviewed the items to be declared as surplus.

Mr. Fletcher made a motion to declare the discussed items as surplus. Mr. Inman seconded the motion. Roll call vote as follows: Mr. Ciolino – yea, Mr. Fletcher – yea, Mr. Harper – yea, Mr. Inman – yea, Ms. Edwards, Ms. Horzelski and Mr. Wolfe absent. Motion passes.

Authorize Director to sell surplus items as auction
Mr. Fletcher made a motion to authorize the director to sell surplus items at auction. Mr. Inman seconded the motion. Roll call vote as follows: Mr. Ciolino – yea, Mr. Fletcher – yea, Mr. Harper – yea, Mr. Inman – yea, Ms. Edwards, Ms. Horzelski and Mr. Wolfe absent. Motion passes.

Review commissioner appointment terms
Ms. Colona reviewed the commissioner appointment terms.
She reminded all commissioners who have not completed their ethics and harassment training to please do so as soon as possible and to email their certificates of completion to Ms. Vining, drop them off at the office or bring them to our next meeting.

Mr. Ciolino made a motion to adjourn. Mr. Fletcher seconded the motion. Motion passes – all yeas, no nays, Ms. Edwards, Ms. Horzelski and Mr. Wolfe absent.

Livingston Parish Library Board of Council Appoints Interim Director

From Livingston Parish Library

The Livingston Parish Library Board of Control unanimously voted to appoint Kyla Robertson Webb as interim director of the Livingston Parish Library, effective immediately.

Webb has been with the system for the last four years and currently serves as the Library's Head of Community Engagement.

"I am honored to be appointed Interim Director of the Livingston Parish Library," Webb said. "I look forward to continuing to serve our amazing community and ensuring that the Library continues to fulfill its mission to the residents of Livingston Parish."

Webb joined the LPL team in 2021 as Head of Youth Services, a position where she quickly distinguished herself through innovative programming that aligned with the community's needs and the library's goal to foster a love for reading and literacy. After nearly two years in that role, Webb was promoted to Head of Community Engagement when the adult services and youth services departments were combined in 2023.

In her role as the Head of Community Engagement, Webb's duties include overseeing the development and execution of all Livingston Parish Library events; supervising adult and youth services departments to ensure efficient operations; collaborating with library leadership, branch managers, and community partners; maintaining planning manuals, records, and statistics; and developing and managing multiple budgets.

The Library has seen significant increases in event attendance under Webb's leadership, rising from 25,860 in 2022 (the year before her promotion to Head of Community Engagement) to 55,704 in 2024. That is an increase of 116% in two years.

Along with her other duties, Webb oversees the system's major community events and initiatives: Comic Con, Summer Reading Program, and Book Festival. All three have reached record levels of participation and attendance under her leadership.

In addition to her work for the library, Webb has shown a commitment to community service in Livingston Parish. She is a 2024 graduate of Leadership Livingston, the parish's premier leadership-building program under the Livingston Parish Chamber of Commerce. During her time in the program, Webb and her project group raised $11,500 to build a family rest station at the Child Advocacy Center in Denham Springs.

Webb will serve as interim director of the Livingston Parish Library until the Board of Control fills the permanent position. She will continue to oversee Community Engagement.

Amite River Basin Commission August Meeting Highlights

From ARBC

At their monthly meeting, the Amite River Basin Commission (ARBC) approved several resolutions to help advance the Upper Amite Restoration project, received an update on the St. James West Shore Connector Levee, and bid farewell to Commissioner Ed Parker (East Feliciana) for his years of service.

The ARBC unanimously approved the following resolutions:

Resolution 1190 – a technical correction to a previously approved resolution authorizing the ARBC to engage professional services for acquisition, title work and other related services for property located in the Amite River Basin.

Resolution 1192 – authorizing the ARBC to engage professional services for a phase 1 environmental assessment for property located in the Amite River Basin.

Resolution 1193 – affirming the availability of non-state funding for the purposes of satisfying non-state matching requirements for state Capital Outlay funding.

"The Upper Amite Restoration project is a major effort to reduce flood risk and improve drainage in the Capital Region by restoring significantly degraded areas along the Amite River," said ARBC President John Clark. "Today's actions allow the ARBC to responsibly assess the value and restoration feasibility of sites we have identified along the Amite River. As outlined in our 2025 flood plan, restoring the river will slow it down and reduce sediment load, thereby improving efficient drainage in the Amite River system."

Resolution 1194 – to approve the incorporation of the July 7, 2025, East Feliciana Parish Police Jury Resolution into the 2025 ARBC Master Plan that expresses the parish's opposition to Upper Amite Retention and Detention measures. The unanimously approved resolution was proposed by Commissioner Ed Parker (East Feliciana) and seconded by Commissioner Ryan Byrd (St. Helena).

"I just want to remind everybody that East Feliciana Parish is part of the Amite River Basin. They have a designated seat on our board, and they will always be represented here. Not to mention, East Feliciana Parish occupies a vast amount of river frontage along the Amite River compared to other parishes in the basin, so with that, my vote is 'YES'," stated President Clark when casting his vote in favor of the Parker-Byrd Resolution.

West Shore Connector Levee – St. James Parish officials presented a progress report on this $10 million ARBC Master Plan project – a prominent feature in the $100 million Amite River Basin Major Projects Program – that will protect the southern most communities in the Amite River Basin. The connector levee will be an additional feature to the West Shore Lake Pontchartrain protection project, and it will connect ring levees around St. James communities to protect them from Amite River flood waters and Lake Pontchartrain storm surge.

"St. James Parish has picked up the ball and run with it," said Clark. "Parish President Dufresne and his team are dogged in their pursuit to finish this project and protect the citizens in the lower Basin. They prove every day that flood protection is a race, and they don't stop running."

Commissioner Ed Parker – ARBC Commissioners gave a standing ovation in honor of the 38 ½ years of public service to the State of Louisiana. Parker served nine years on the ARBC and served three of those years as president.

All resolutions, a recording of the meeting and presentations will be available on the ARBC website at www.amitebasin.org.

About the Amite River Basin Commission

Established by the Louisiana Legislature in 1981, the Amite River Basin Commission (ARBC)coordinates regional flood control, watershed planning, and environmental restoration in Ascension, East Baton Rouge, East Feliciana, Iberville, Livingston, St. Helena, and St. James Parishes. ARBC works closely with local, state, and federal partners to reduce flood risk and conserve the natural resources of the Basin.

LIFE SENTENCE

FROM PAGE 1

The two bystanders who witnessed the attack testified at the trial, as did members of the Livingston Parish Sheriff's Office and Albany Police, who responded to the case.

Perrilloux applauded the work of Assistant District Attorney Greg Stahlnecker, Jr., who prosecuted the case for the state. "The jury was able to reach a just verdict after the great teamwork from our office, the Livingston Parish Sheriff's Office, and Albany PD."

"I'm happy to finally get some closure for the family and friends of Mr. Roussel after nearly two years of agony and the lifetime of sorrow they will feel because of the actions of Mr. Louque," Stahlnecker said. "This was a senseless killing of a good, kindhearted man."

TANGI GUMBO

From Page 3

early 2026, the project is part of President Cooper and the Parish Council's ongoing efforts to improve water and sewer infrastructure throughout St. Tammany Parish. Residents may experience temporary water discoloration in the coming days due to contractor work rerouting water lines this past weekend.

Save the date for Southeastern's Fall Grad Fair 2025, happening Tuesday, September 30, from 9:00 am to 5:00 pm, and Wednesday, October 1, from 9:00am to 3:00pm upstairs in the Student Union Theater and Commons by Career Services. This event is your one-stop shop for all commencement essentials, including caps and gowns, class rings, graduation photos, invitations, and more. For questions, email alumni@southeastern.edu.

Downtown Hammond is set to come alive on Saturday, August 23, 2025, for the 28th Annual Hot August Stroll, offering a full day of shopping, dining, music, and family fun. More than 50 local businesses will feature specials and sales, while the Hammond Farmers & Artisans Market in Railroad Park will host over 40 vendors alongside live performances on the Listening Local Stage. Families can enjoy the Kid Zone at the Louisiana Children's Discovery Center, and adults can sample wine and cheese at 20+ businesses during the evening Wine & Cheese Stroll. Charles Street will be packed with food and drink vendors, local art, a car show, and activities, while Cate Square Park will feature yoga in the morning, Southeastern Louisiana University's Lionpawlooza, and live music from The Phaze Band and J & The Causeways. With entertainment and attractions spanning from morning to night, the event invites residents and visitors to eat, shop, and play all day in the heart of Hammond. More details are available at www.downtownhammond.org.

The US National Weather Service in New Orleans is monitoring three areas of interest in the tropics: Tropical Storm Erin, currently moving westward and still several days from any landfall; a system in the Northwest Atlantic with a low 10% chance of development over the next week; and a disturbance in the western Caribbean that has a 20% chance of strengthening as it moves into the southwest Gulf of Mexico.

Southeastern Louisiana University Athletics will kick off the 2025–26 season with two annual August traditions—Strawberry Jam and LionPawlooza. Strawberry Jam, set for Aug. 19 at 6pm in Strawberry Stadium, is a student-only pep rally featuring the Spirit of the Southland band, national champion cheerleaders, the Lionnette dance team, and appearances from SLU's soccer, football, and Southland Conference champion indoor volleyball teams. The first 1,000 students will receive a free "2025 Gameday in Hammond, America" t-shirt, and free food and games will be available. On Aug. 23 at 3pm, the community is invited to LionPawlooza in Cate Square Park, held in partnership with the Hammond Downtown Development District's Hot August Stroll, with live performances, team introductions, and opportunities to meet student-athletes. SLU's first competition of the season will be Aug. 14, when women's soccer travels to ULM for a nonconference match.

The Albany Police Department has arrested Audie Glascock of Livingston in connection with a July 2 bomb threat targeting John's Pharmacy. Glascock was taken into custody at his Florida Boulevard residence around 11:24am by Albany police, with assistance from the Livingston Parish Sheriff's Office. He faces charges of terrorizing, false communication with intent to cause emergency response, and communicating false information of planned arson. The threat, reported at 9:41am on July 2, led to the evacuation of John's Pharmacy, Cains, and nearby businesses, prompting a large-scale emergency response before being confirmed as a hoax. Authorities said the incident caused significant fear and disruption in the community and emphasized that such threats will be pursued and prosecuted with the utmost seriousness.

The Tangipahoa Parish Sheriff's Office is seeking the public's help in locating 16-year-old runaway Cade Hawxhurst, who was last seen around 9:30pm on Tuesday, August 12, on Stafford Road in Tickfaw. Cade is described as a white male with light brown shoulder-length hair, blue eyes, standing 5'8" and weighing 135 pounds, last seen wearing a black Nike sweatshirt, black T-shirt, black basketball slides, and black socks. Anyone with information is urged to contact the Sheriff's Juvenile Division at 985-902-2031, or anonymously through Crime Stoppers of Tangipahoa at 1-800-554-5245 or www.tangicrimestoppers.com; tips submitted to Crime Stoppers may be eligible for a cash reward.

SLEEP

(FROM PAGE 1)

podcasts. That white noise app you pretend you don't love. But for the restless midlife masses, these newer, weirder hacks feel like a secret club handshake — a reminder that nobody's sleeping perfectly, but at least we can laugh about it together.

So tonight, when you're wide awake and your phone helpfully reminds you it's your fifth night of "not enough sleep," don't panic. Maybe slap on some cozy socks, tape your mouth (carefully!), and grab your emotional support sloth. Sweet dreams — or at least, weirder ones.
